Hyundai Cooling System Connectors

We've recently added a "New Product". The Hyundai cooling fan connector and the fan control module connectors.

Each of these items is only available on a complete wire harness assembly. The cost of a new harness can range from \$850.00 to \$2,300.00. The savings on this item is substantial.

Take the summer to cool down your severity with these "New Products" from *Aeromotive*. Order today at 877-723-7687 or order online at www.aeromotive.us
